- Make a video (not more than 30 seconds) while performing the activity.

Activity 3- Addition Game

Motive- To enhance their Cognitive skills.

Practice makes perfect and we know that it's true when it comes to maths. So, let's practice addition with this fun "Paper Plate Addition Game".

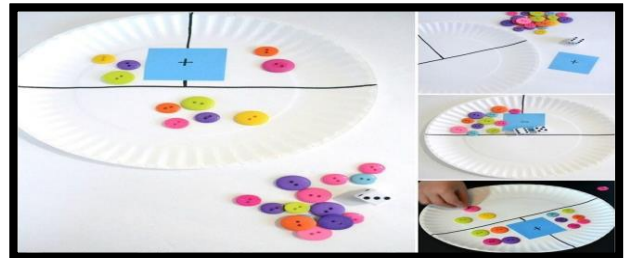

Material Required- Paper Plate, Buttons, black marker and dice.

How to make- Use black marker to draw a line across the center of your plate. Next draw a line to divide the top half again. See the image for an illustration. Write a Plus sign between top parts.

How to Play -

- Roll one dice, place that number of buttons in the first section of your plate.
- Roll the dice again. Place that number of buttons in the second section.
- Add the two sections together and put the correct number of buttons in the bottom half of the plate.
- Remove the buttons and play again...

- Make an observation video (not more than 30 seconds) while performing the addition game and explain it.

Activity 4- Scavenger Hunt

Motive- To enhance their Gross motor and Cognitive skills.

Find Something from your home that..

- is Blue
- Has 4 sides
- is Round
- is longer than a pencil
- has numbers on it
- is smaller than you
- Smells good
- is smooth
- Make an observation video (not more than 30 seconds) while performing the activity and tell the name of the items.

ACTIVITY 5- FATHER'S DAY (18th JUNE 2023)
